

Emergency Water Supply

If your well suddenly runs dry, Capital Well can set you up with an Emergency Water Supply.

It's quick and easy, we can have your house back in Non-Potable (non-drinking) water in a short amount of time, allowing you to stay in your house.

All you need is an outdoor faucet and access to an electrical outlet.

EWS (up to 3 days) ~ Service Call \$ _____ + \$750.00

Additional Days ~ \$99.00
